

SECOND LISTING FOR HOLY CHILD

Silver Lake a.k.a. Passidomo Park are the beautiful turf fields located smack in the middle of the hamlet of West Harrison a.k.a Silver Lake. Most direct route is as follows:

287 West to Exit 8 White Plains.

After exiting 287 get into your right lane approaching the first set of lights. Go through this set of lights bearing to your FAR RIGHT and NOT heading in the Mall direction.

At your next light (which is very close) you will take a very quick right/left zig zag on to Underhill Ave.

Follow Underhill Avenue directly into the village of W. Harrison. You will be passing a number of apartment bldngs on your right, climbing a hill past a deli and a pizza restaurant...

Continue straight through lights at the crest of the hill and you will now see the fields and park below you on your left.....

You must drive straight through town as if you are passing the fields and make a hair pin left turn at the end of town to get to the park entrance. The park entrance will be on your right.

All this zig zagging sounds harder than it is but, please allow enough travel time as we would like to meet with the team prior to warm ups.....

Alternate route: King Street to left on Anderson Hill, to right on Purchase St., to left on Barnes Lane, to Left on Lake Ave which will dump you in West Harrison at the fields as well. The fields will be on your right this way.
