

Resurrection Grammar School

June, 2010

Dear Parents:

Welcome to Resurrection Grammar School! Your child is registered in Mrs. Romeo's Kindergarten class.

Attached is your child's schedule for the beginning weeks of school. **WE NEED YOUR UTMOST COOPERATION IN BRINGING CHILDREN AT THE SPECIFIED TIMES DURING THESE WEEKS.** This beginning is of the greatest importance in establishing routines and good habits for a smoothly operating Kindergarten class.

Young children feel much more secure if they can ease into a new situation; therefore, we gradually increase the length of class time and/or size of the group as the children become acquainted and familiar with school.

The all day kindergarten program will be introduced gradually. This, again, is in the best interest of the children. Even if a child has been in summer camp, a full school day is a very different experience.

We realize this may cause some inconvenience regarding transportation and carpools, but the time is relatively short. We have learned from past experience that this method is vital to the proper implementation and success of the program.

Parents of Kindergartners taking the bus are responsible for transportation during orientation weeks. Full schedule begins on Monday, September 27th.

Thank you for your understanding and cooperation.

I look forward to meeting you and your child in September!
