

To receive public safety announcements from the City and the Rye Police Department, please sign up at <http://www.nixle.com> .

Nixle allows families & their neighbors to stay connected. Whether it is information that needs to be shared with neighbors on your street, in your development, or in your entire community, Nixle is there for you.

We are not a social networking site for friends to communicate, rather we are a Community Information Service that allows neighbors and community groups to stay in touch and connected.

Whether it is an announcement welcoming a new family to the neighborhood, or a community concern that you want to share with neighbors within 1/8th of a mile surrounding your home or with everyone in your entire community, Nixle allows you to do this. Have a recommendation for a good movie you saw or a recommendation for a good babysitter or gardener? Nixle gives you the ability to share your recommendations.

Need help moving that piano? Interested in what's going on with the newly painted house down the block? Holding an impromptu block party or garage sale? Find it or post it here first. The information that matters most to you, whether it is information that you want to share or receive. Nixle-it!

All of the information you post will always be visible in your town online at www.nixle.com. **Students, parents, and others who opt-in to your information using their settings button can also receive your postings by text message and email.**

In addition, please subscribe to the City list serve as well at <http://www.ryeny.gov> for further updates from the City about key community issues.

Welcome to the City of Rye, NY

Welcome to the City's new website offering improved access to City news and information. Stay involved with the City by subscribing to our [email notification service](#). Take advantage of our online services including [registering for recreation programs](#) and accessing our interactive [mapping](#) program. A new City [calendar](#) feature makes it easier to find the dates and times of all City Board and Commission meetings. Other information such as meeting minutes, reports, permits and forms and other [digital documents](#) are now easily accessible.

Thanks and all the best,
Suzanna Keith
Deputy Mayor
Rye City Council
